Complaint Substance and Format

To file a complaint with Neligh Dial-A-Ride Public Transit, complainants should complete and submit the agency's Title VI Complaint Form or submit a written letter containing the following information:

- The name(s) of the persons(s) filing the complaint (the complainant)
- Mailing address and phone number of the complainant(s)
- Name of the person(s) or entity alleged to have engaged in discrimination
- Date of the incident
- A detailed description of the incident
- An explanation of how the incident involved discrimination based on race, color, or national origin
- The names, mailing addresses, and phone numbers of witnesses or third parties to the incident
- Any additional information relevant to the complaint

A complaint may be filed on behalf of another person with their expressed written consent. The Title VI Complaint Form or letter of complaint must be signed by the complainant or by their authorized representative.

Time Frame for Filing Complaints

Complaints must be received no more than 180 calendar days after the alleged incident and must involve allegations of discrimination on the basis of race, color, or national origin to be investigated as an unlawful discriminatory practice under Title VI. FTA may grant an extension.

If Neligh Dial-A-Ride Public Transit receives a complaint, Neligh Dial-A-Ride Public Transit will submit the complaint to the NDOT Civil Rights Office for review.

After a complaint is received, an NDOT investigator will determine whether it meets the criteria and whether NDOT has jurisdiction. The complainant will receive an acknowledgement letter by mail about whether the investigation will proceed.

Processing and Investigating Complaints

NDOT strives to complete investigations within 90 days. At any time during the investigation, the investigator may request additional information to assist in the investigation of the incident. The complainant will be given 15 business days to respond to the request for additional information. If NDOT is not contacted by the complainant or does not receive the additional information within 15 business days, NDOT can administratively close the case. The case can be administratively closed if the complainant no longer wants to pursue the case.

Closing a Complaint

A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed. A letter of findings summarizes the allegations and the interviews regarding the alleged incident and explains whether any disciplinary action, additional training of the staff member, or other action will occur. Complainants have 30 days to appeal the findings of the investigation.

2.4.2 Neligh Dial-A-Ride Public Transit Title VI Complaint Form

See **Appendix B** for a copy of Neligh Dial-A-Ride Public Transit's Title VI Discrimination Complaint Form.

2.5 List of Title VI Investigations, Complaints, and Lawsuits

As of the current Title VI Program submission, no transit-related complaints specific to Title VI were filed; therefore, there are no incidents to track or report. Neligh Dial-A-Ride Public Transit would use the Complaint and Lawsuit Tracking Form in **Appendix D** to conduct an investigation, receive a complaint, or file a lawsuit alleging discrimination on the basis of race, color, or national origin. Neligh Dial-A-Ride Public Transit will report all Title VI complaints to the NDOT Civil Rights Office and FTA.

2.6 Inclusive Public Participation

Neligh Dial-A-Ride Public Transit's public involvement strategy is intended to promote awareness and provide ample opportunity for the public to participate in the Neligh Dial-A-Ride Public Transit transportation decision-making surrounding projects, fares and/or service charges, and application for federal operating assistance. Examples include the following:

- Ensuring the timely dissemination of information to the public
- Considering the input and encouraging the participation of underserved groups in Neligh Dial-A-Ride Public Transit's transportation decision-making process
- Granting timely public notice and an adequate review period through this process
- Facilitating adequate public review of major project revisions
- Granting the opportunity for the review of proposed and final plans
- Encouraging and documenting public comment

For these purposes, Neligh Dial-A-Ride Public Transit will announce and hold a public hearing in the event of a fare increase, major change in service, or capital construction project. Additionally, Neligh Dial-A-Ride Public Transit will provide adequate public notice in the event of a vehicle purchase or when submitting an application for state or federal operating assistance funds with no major service changes or fare increases.

For the purpose of definition, a major change or reduction service will include a reduction in total system vehicle-hours of 10 percent or more, the elimination of service in an area with a population of 2,000 or more, the elimination of service on one or more days of the week, or a change in the type of transit service in an area with a population of 2,000 or more. A fare increase will include an increase in single ride fare for any transit service including other fare categories or a decrease in the discount(s) offered for fare categories.

Public hearings will be advertised in a newspaper of general circulation in the geographic area the project will serve at least 14 to 21 calendar days in advance of the public hearing and again no later than 5 to 12 calendar days in advance of the public hearing. Notice of hearings will include a concise description of the proposed project and will advertise the availability of translated copies of said hearing notice and/or other publicly released meeting documents in accordance with the Neligh Dial-A-Ride Public Transit LAP. Hearings will be held in accessible locations and at times convenient for public attendance.

Written or verbal comments from the public will be accepted during and for at least 10 days following the public hearing. These comments will be reviewed as part of the agency's decision-making process surrounding transportation projects.

An agency staff member will record and prepare formal minutes of the public hearing. These minutes will be available to the public on request. Translations of these minutes, as well as other publicly released meeting documents (e.g., announcements, surveys, comment cards), will be made available to members of the public on request. The availability of translated minutes and other public documents will be advertised on the agency's public hearing notice.

Summary of Past Outreach Efforts

Neligh Dial-A-Ride Public Transit routinely performs outreach to the public through a number of outlets (for example, Nebraska Public Transit Week; participation in the local Antelope County Home & Ag Expo with a booth; through the Neligh Facebook page, website, brochures, and utility bill newsletters; monthly advertisements in the Antelope County newspaper).

These outreach events were attended by the general public, including elected officials, minority members, seniors, and persons with disabilities. Neligh Dial-A-Ride Public Transit personnel reported rare interactions with LEP persons while administering programs and services. Though rare, the language most often encountered other than English is Spanish.

2.7 Providing Meaningful Access to LEP Persons

Neligh Dial-A-Ride Public Transit provides transportation to the general public located in Antelope County, Nebraska. Neligh Dial-A-Ride Public Transit personnel report that contact with LEP persons is rare. However, the following analysis was completed to inform a Language Assistance Plan that considers the needs of LEP persons who could potentially be encountered by the agency as it administers its programs in the service area.

To facilitate this analysis, 2019-2023 America Community Survey data was analyzed for the agency's service area to inform the Four-Factor Analysis. The data show that the number and proportion of LEP persons in the service area is low, with approximately 95 percent of the population estimated to speak only English. These results and the Neligh Dial-A-Ride Public Transit four-factor analysis can be found in **Appendix C**.

Service Area Profile Conclusions

Based on the four-factor analysis, the number and proportion of non-English speaking LEP persons in the vicinity of Neligh Dial-A-Ride Public Transit is very low, with no non-English language groups exceeding the Safe Harbor Threshold of 1,000 or more LEP persons or greater than 5 percent of the service area population. As a result, Neligh Dial-A-Ride Public Transit has not identified a current need to develop additional language assistance measures. However, should staff encounter individuals with limited English proficiency, employees are trained to respond appropriately and to provide meaningful access to services, as detailed in the Language Assistance Plan, using language assistance resources available through NDOT.

Language Assistance Plan

Neligh Dial-A-Ride Public Transit has access to language assistance resources through NDOT, including document translation and verbal interpretation services. Using this resource, Neligh Dial-A-Ride Public Transit's Title VI Notice to the Public, Discrimination Complaint Form, and Discrimination Complaint Procedures Form have been translated into Spanish for public distribution and for posting on the agency's website. In the event of a public hearing by Neligh Dial-A-Ride Public Transit, publicly distributed meeting documents, including meeting minutes, can be translated upon request using these resources.

Neligh Dial-A-Ride Public Transit has access to verbal interpretation services through NDOT. These resources will be used whenever in-person or over-the-phone interpretation is required to assist riders. The agency will also take reasonable steps to support LEP individuals who may choose to access its programs and services in the future.

Additionally, "I Speak" cards will be available at the agency's main office. These cards allow LEP individuals to quickly identify their spoken language when it cannot be easily determined by staff. This tool will help Neligh Dial-A-Ride Public Transit identify language assistance needs as they arise and ensure appropriate support is provided.

2.7.1 Monitoring and Updating the Neligh Dial-A-Ride Public Transit LAP

Neligh Dial-A-Ride Public Transit understands that language needs will change as the service area population changes. Neligh Dial-A-Ride Public Transit will revisit the LAP every 3 years and make appropriate changes. Updates may include the following:

- The number of documented LEP person contacts encountered since the last update
- Description of how the needs of LEP persons have been addressed
- Determination of the current LEP population in the agency service area
- Determination of whether the need for language assistance has changed
- Determination of whether local language assistance has been effective and sufficient at meeting needs
- Determination of whether the agency's available outreach resources are sufficient to supply necessary language assistance
- Determination of whether complaints have been received concerning the agency's failure to meet the needs of LEP persons

2.7.2 Employee Training

Neligh Dial-A-Ride Public Transit's personnel are required to review the current Title VI Program document and sign a written statement declaring their understanding of their obligation to provide service regardless of race, color, or national origin.

Necessary personnel will be familiar with the agency's procedures for handling a potential Title VI complaint.

Dana Klabenes, the City Clerk and Transit Manager, has taken part in the Title VI planning and training sessions through NDOT. As part of new employee orientation and training, Dial-A-Ride Public Transit personnel are required to review the current Title VI program document and sign a written statement declaring their understanding of their obligations to provide service regardless of race, color, or

national origin. Following each plan update, a review of the Title VI plan is held during a staff meeting for a refresher and updates.

Additional resources for employee training include a Title VI training course hosted by NDOT and ongoing Title VI assistance and oversight provided by the NDOT Civil Rights Office.

2.8 Planning and Advisory Bodies

Neligh Dial-A-Ride Public Transit does not have a transit-related, non-elected planning board, advisory council, or other committee. In the event such a committee were established prior to Neligh Dial-A-Ride Public Transit's next Title VI program submission, the demographic makeup of the planning board or committee would be summarized, as required.

2.9 Equity Analysis to Determine Site or Location of Facilities

Neligh Dial-A-Ride Public Transit will complete a Title VI equity analysis during the planning stage for construction projects using FTA funds with regard to where a project is located or sited and to compare the impact of siting alternatives. The purpose of the equity analysis will be to ensure that the determination of the site or location of facilities was made without denying anyone the benefits of the federally funded program or subjecting anyone to discrimination on the basis of race, color, or national origin. Copies of subsequent equity analyses will be included in NDOT's 2029 Title VI Program submission. Neligh Dial-A-Ride Public Transit will complete an equity analysis for projects related to facilities, including but not limited to storage facilities, maintenance facilities, operations centers, etc. NDOT follows the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.

As of the publication of this Title VI Program Plan, no new location or existing facility upgrade is programmed for the time period of this plan. If one is programmed after approval, it will be amended into this document as an appendix.

3 Requests for Additional Information

Neligh Dial-A-Ride Public Transit will fully cooperate with any FTA investigation of discrimination complaints to the extent required by Title VI regulations of FTA Circular 4702.1B.

Neligh Dial-A-Ride Public Transit Four-Factor Analysis and Language Assistance Plan

Neligh Dial-A-Ride Public Transit Four-Factor Analysis

Neligh Dial-A-Ride Public Transit provides transportation to the general public located within Antelope County, Nebraska. Neligh Dial-A-Ride Public Transit personnel report that contact with clients of limited English proficiency (LEP) is rare, with no recent reported contacts with LEP clients by the agency. However, the following analysis was completed to inform a Language Assistance Plan that considers the needs of LEP persons who could potentially be encountered by the agency as it administers its programs in the service area.

To facilitate this analysis, 2019-2023 American Community Survey data was analyzed for the agency's service area to inform the Four-Factor Analysis. The data show that the number and proportion of LEP persons in the service area is low, with approximately 95 percent of the population estimated to speak only English.

Based on the four-factor analysis, the number and proportion of non-English speaking LEP persons in the vicinity of Neligh Dial-A-Ride Public Transit is very low, with no non-English language groups exceeding the Safe Harbor Threshold of 1,000 or more LEP persons or greater than 5 percent of the service area population. Moreover, the agency personnel report that contact with LEP persons is rare. As a result, Neligh Dial-A-Ride Public Transit has not identified a current need to develop additional language assistance measures. However, should staff encounter individuals with limited English proficiency, employees are trained to respond appropriately and to provide meaningful access to services, as detailed in the Language Assistance Plan, using language assistance resources available through NDOT.

Factor 1: The number or proportion of LEP persons eligible to be served or likely to encountered by the program or recipient

Neligh Dial-A-Ride Public Transit provides transportation service for the residents within Antelope County, Nebraska. To estimate the number and proportion of individuals with LEP in the service area, data from the 2019-2023 American Community Survey was reviewed. For this analysis, LEP is defined as individuals who speak English less than "very well". LEP may also refer to individuals with limited ability to read, write, or understand English.

Neligh Dial-A-Ride Public Transit service area LEP profile

- The total number of persons over the age of five within Antelope County is 5,885.
- Approximately 95 percent of this total population speak English only.
- Spanish is the largest non-English language group in the Neligh Dial-A-Ride Public Transit service area. This language group is estimated to be 62 LEP persons, or approximately 1.1 percent of the area's total population.
- Other language groups in the Neligh Dial-A-Ride Public Transit service area contained a low number or proportion of LEP persons that did not surpass the Safe Harbor Threshold of 1,000 LEP persons or greater than 5 percent proportion of LEP persons in the service area.

Factor 1a: How LEP persons interact with the agency

Agency staff report that contact with LEP individuals is rare. It is estimated that such contact would most likely occur while scheduling or providing transportation.

Factor 1b: Literacy skills of LEP persons in their native language to determine whether the translation of written documents will be an effective practice

No complete data on native language literacy was available. If additional data becomes available, it will be incorporated into future analyses. Based on current resources and practices, the agency does not anticipate significant barriers to service due to literacy limitations.

Factor 1c: Whether LEP persons are underserved due to language barriers

Given the low number and proportion of LEP individuals in the service area and the limited contact reported by staff, the agency does not anticipate language to be a barrier to accessing services.

Factor 2: Frequency of Contact with LEP persons

Neligh Dial-A-Ride Public Transit personnel report that interaction with LEP individuals while administering programs and services is rare.

Factor 3: Nature and importance of the Program, Activity, or Service

Neligh Dial-A-Ride Public Transit operates a public transportation agency, which is available to all residents within the service area. These services provide essential mobility services and access to critical destinations. These destinations include but are not limited to, medical appointments, employment, education, shopping, and social activities. The agency considers its services to be highly important to the community.

Factor 4: Resources Available and Associated Costs

Neligh Dial-A-Ride Public Transit has access to Title VI LEP outreach resources through NDOT, including document translations assistance and verbal translation over the phone using Nebraska Language Line, Title VI template documents (e.g., Title VI Notice to the Public, Title VI Complaint Form, etc.), and general Title VI assistance and oversight.

Language Assistance Plan

Neligh Dial-A-Ride Public Transit has access to language assistance resources through NDOT, including document translation and verbal interpretation services. Using this resource, Neligh Dial-A-Ride Public Transit's Title VI Notice to the Public, Discrimination Complaint Form, and Discrimination Complaint Procedures Form have been translated into Spanish for public distribution and for posting on the agency's website. In the event of a public hearing by Neligh Dial-A-Ride Public Transit, publicly distributed meeting documents, including meeting minutes, can be translated upon request using these resources.

Neligh Dial-A-Ride Public Transit has access to verbal interpretation services through NDOT. These resources will be used whenever in-person or over-the-phone interpretation is required to assist riders. The agency will also take reasonable steps to support LEP individuals who may choose to access its programs and services in the future.

Additionally, "I Speak" cards will be available at the agency's main office. These cards allow LEP individuals to quickly identify their spoken language when it cannot be easily determined by staff. This tool will help Neligh Dial-A-Ride Public Transit identify language assistance needs as they arise and ensure appropriate support is provided.
